

APPLICATION FOR RE-ADMISSION

Westmont College is pleased to learn of your interest to apply for readmission. As a student who was previously a member of this community, you realize and appreciate the distinctives which continue to place Westmont in the strong ranking categories of many publications. Thanks for expressing your confidence in Westmont in this way. It is our desire to make this process move quickly and efficiently for you.

ADMISSION PHILOSOPHY

Westmont encourages applications from students who seek a college where teaching undergraduate students is the highest priority, where opportunities to grow are serious community goals, and where there is commitment to a deep, personal Christian faith. The College selects those students with a desire to return to our campus, who while at Westmont, demonstrated strong academic achievement and promising potential, diverse interests, and a desire to support the values of the College.

You may apply for either the fall or spring semester. Criteria important to Westmont in considering your application are:

1. You left Westmont in good academic standing.
2. You can be cleared through Student Life.
3. Your student account was paid in full.

Should there be a question on any of the above criteria, we suggest you call the Records Office, the Office of Student Life, or Student Accounts.

If you left Westmont due to a suspension, you must contact the Records Office immediately for information relating to the reinstatement process. The Office of Admission will also be communicating with these offices on your behalf.

HOW TO APPLY

The Westmont Office of Admission requires an application to be received (postmarked) along with all supporting documents by the following dates:

November 1 for Spring Semester

March 15 for Fall Semester

Please follow these steps:

1. Complete and return the attached form. Be sure to make your application legible!
2. Request that an official transcript from each school you've attended since leaving Westmont be sent to the Office of Admission (whether credit was completed or not).
3. If any college work is in progress at the time of this application, be sure an additional final transcript is sent when the work is complete.

Should your application be submitted after the deadline, you will be considered on a space available basis only.

Should an offer of admission be made and you confirm after the deadline stated in the acceptance letter, your confirmation will be accepted on a space available basis only.

Note: Registration for re-applicants will be processed after continuing students have registered.
