

The GE Curriculum Adjustment Proposal

Submitted by the GE Committee

Prepared by Tatiana Nazarenko, Chair of the GE Committee

March 12, 2015

In closing the loop on our assessment of student written communication skills, the GE Committee is asking the Senate to consider the 2012 recommendation by Sarah Skripsky, Lead Assessment Specialist for Written Communication, and establish vertical sequencing of the GE writing offerings. Specifically, the Committee is asking the Senate to consider the following adjustment to the GE curriculum:

Require completion of ENG 002 or acceptable Writing for the Liberal Arts equivalent for students to achieve junior status (similar to major declaration requirement).
