I understand that all courses taken to meet major and minor requirements and general education requirements (except P.E.A.) **must** be graded on the "letter grade" scale. P/NC registration is limited to 4 units per term, plus one P.E. Activity course (8 units plus 2 P.E. Activity courses per year, including Mayterm). **Courses taken P/NC must be elective only,** with the following exceptions: (1) P.E.A. courses and (2) Students who have completed all requirements for a major/minor, as determined by their application for degree, may request the P/NC grading option for additional course work offered in the major/minor department.
