

## Secondary Teacher Preparation in Spanish Fast Track: Sample 4-year plan

*Note to students: Remember that this is a SAMPLE. Your schedule, for many reasons, will probably not end up looking exactly like this. What's shown is a "fast-track" schedule. Be aware that you also have the option of completing the English major over a four-year period, with a fifth year reserved for your teaching credential. Requirements will differ if you enter Westmont with AP or college credit. Please confer with English department advisor as major requirements sometimes change.*

# Milestones:

## Steps toward earning a Preliminary Secondary (Single Subject) Teaching Credential on a fast-track at Westmont\*

<b>First Year</b>	<ul style="list-style-type: none"> <li>___ Make sure to have two advisors: one advisor in your major field of study and a secondary advisor from the Education Department. Complete, if necessary, the "Change of Advisor" form available from the Records Office.</li> <li>___ Meet with both advisors and discuss if a fast-track option could work for you.</li> </ul>
<b>Second Year</b>	<ul style="list-style-type: none"> <li>___ Complete an official "Declaration of Major" form available from the Records Office. Circle your major field of study.</li> <li>___ Review the pre-requisite courses/requirements for earning a Teaching Credential.</li> <li>___ Work out a four-year program of study with your advisor, especially if you're thinking of spending a semester in an off-campus program. You may decide it's wiser to not do the fast-track – in this case, work out a five-year program of study.</li> </ul>
<b>Third Year</b>	<ul style="list-style-type: none"> <li>___ Meet with Education advisor at beginning of third year.</li> <li>___ Maintain a 2.75 GPA if you plan to apply to Westmont's Credential Program.</li> <li>___ <b>During the fall, register for all sections of Single Subject CSETs for your content area. CSETs need to be taken by February 15.</b></li> <li>___ <b>Fulfill the Basic Skills requirement</b> (For options see: <a href="http://www.ctc.ca.gov/credentials/leaflets/cl667.pdf">www.ctc.ca.gov/credentials/leaflets/cl667.pdf</a>)</li> <li>___ By February 15, complete an application for Westmont's Credential Program.</li> <li>___ When making housing plans for your senior year, remember you need to live off-campus during the Spring semester, if you wish to be eligible for the 55% tuition scholarship. (Note: Ocean View counts as "off-campus" even though it's college-owned). Given the difficulty of moving over Christmas break, most seniors in the Credential program live off campus the entire year.</li> <li>___ Schedule a time to take the Westmont-administered US Constitution exam (see Program Assistant for details).</li> <li>___ Plan to take an in-person CPR course for infants, children, and adolescents.</li> </ul>
<b>Fourth Year*</b>	<ul style="list-style-type: none"> <li>___ Make sure, as a fast-track students, that you've completed ALL requirements to receive your BA in December and thus become eligible for the tuition discount during the Spring semester of student teaching. You may not graduate deficient in December.</li> <li>___ For students in Westmont's Credential Program, stay in close touch with the Program Assistant and review the "Stepping Stones towards a Teaching Credential" for completing a professional teaching credential.</li> </ul>

\*These milestones are set up for fast-track students (students are who completing both a BA in a content area and the Teacher Credential Program in four years). Students who wish to do a fifth-year Teacher Credential Program, either at Westmont or elsewhere, will complete most of the items listed her under "Third Year" during their fourth year.
