

## **Addressing Mail**

Student Name MS# XXXX 955 La Paz Road Santa Barbara CA 93108

## Tips:

- The "MS #" is the student's Mail Stop #. It must always be included. Students locate their MS# and mailbox lock combination on the private section of their student profile.
- To avoid delays, do NOT include "Westmont College" in the mailing address.
- When making purchases on-line for your student: Ensure shipper addresses the item to your student's name and address as formatted above. Be sure it does not ship with YOUR name as the recipient. This is a frequent cause for delays and/or returns to sender.
- Students will receive an email when a package has arrived and been processed. They must bring a student ID to retrieve their package during operating hours.

## **Overnight Shipping**

For guaranteed overnight service, please utilize UPS overnight or FedEx Express overnight options when shipping packages to Westmont College. Find more important information about overnight shipping on westmont.edu/postoffice

## **Additional Services**

The post office sells stamps and business envelopes (the bookstore sells larger and padded envelopes), and offers shipping via USPS, UPS and FedEx.
