Sam Brakken, President

Section 1. Title

Lead Where You Stand Bill

Section 2. Statement of Purpose

LEAD Where You Stand is an annual 3 day summer conference put on by the Office for College Advancement and features notable speaker and public figures including David Brooks, Jon Meacham, and Erin Meyer for this year. It is incredibly beneficial for students to attend this conference as they come to development leadership qualities and connect with community members to expand their connections. This bill will fund 10 students to participate in this summer's LEAD conference, to be chosen by a random selection of interested candidates *who are willing and able to participate in the whole conference*. The price for each student will be \$99.

Section 3. Statement of Policy

Upon passage of this bill, \$1000 will be transferred to the OCA following selection of 10 students to participate in the conference.

Section 4. Enactment

Business Manager Ben Meyers will work with Dr. Sheard to transfer \$1000 for the conference fee.
