### **Section 1. Title**

*The Student Relief from Finals through Doughnuts Bill 2.0*

### **Sections 2. Statement of Purpose**

Seeing that the money allocate in the “The Student Relief from Finals through Doughnuts Bill” was never used, this bill would relocate those funds to accomplish the same goal but in the spring semester. These doughnuts would be distributed in the library along with the snacks and drinks being distributed by the library.

### **Section 3. Statement of Policy**

This bill would pay for 32 dozen or 384 doughnuts. This would benefit a great number of the general population of Westmont. Members of WCSA would take turns at distributing the doughnuts throughout the night.

### **Section 4. Enactment**

If passed, Cecil Rutherford III will ensure that the appropriate funds will be reimbursed to the member of WCSA that buys the doughnuts. If passed, the doughnuts will only be purchased after the approval of Ruth Angelos. If passed and she does not give her approval, the funds will return to the promotions and subscription budget item.

### **Section 5. Appropriation**

\$300 from the promotions and subscription budget item would go towards doughnuts and tax.
