

WCSA Funding Proposal Form

Any Westmont student, faculty or staff member is eligible to submit a funding request to WCSA. WCSA strives to utilize its budget to meet the needs of our campus and our student body. Past proposals have included funding the purchase of fruit trees for the Westmont garden and partnering with the library to provide coffee and snacks during finals week. Funds have also supported student initiated events such as film festivals and movie screenings.

Each proposal is examined by WCSA. Then, WCSA will vote on whether to approval the proposal. You will be notified by e-mail regarding the decision on your funding proposal generally within two weeks.

Guidelines:

Be thorough in filling out the funding proposal form. Please provide as much detail as possible regarding the purpose of the request and funding desired. Failure to do so may result in a delay.

Funding proposals need to be submitted at least 2 weeks prior to request need or event. Funding proposals outside of this time frame may still be submitted but are they are unlikely to be approved.

If you are requesting funds for a campus event, please complete the event proposal form on the Campus Life Office website prior to completing a WCSA funding proposal. All events must be approved and sponsored by a campus department or student organization prior to receiving funding.

You are highly encouraged to come to clarify the purpose of your funding proposal at the meeting following your request submission. This is to prevent any delays in funding your request.

If your funding proposal is approved, it is imperative that you present WCSA the receipts of your purchases. Failure to produce receipts could result in WCSA concluding to suspend an individual's or organization's ability to request funding.

Please see the WCSA Website (<https://www.westmont.edu/student-life/campus-activities/westmont-college-student-association>) for FAQs.

.....

Describe the nature of your project (Target population, number of students involved, length of project, etc.) *

We would like to cater food for our freshmen constituents in ASA as well as the Songs. ASA's budget this year limits our ability to cater food for large groups of people (estimating 30 people for this dinner).

.....

What do you hope to achieve with this project? *

Because we are still in a transitional period due to COVID, we want to make sure that incoming Asian students are able to make personal connections with their professors, especially other Asian professors. We are hoping to give the freshmen something we couldn't have because of COVID since we know the importance of building personal relationships with professors as a new student at Westmont.

.....

How much money are you requesting from WCSA? Please provide an itemized budget (item, price, and total amount). *

\$400; L&L Barbecue Party tray (feeds ~10), 3 party trays to cover 30 people; $\$133 \times 3 = \399

.....

How does your project relate to the mission of the college and WCSA? (Mission statements are at the top of this form) *

Our project relates to the mission of the college and WCSA because we are trying to seek a greater unification of faculty and students during a currently abnormal time. By creating this greater unification, we hope to assist in the cultivation of scholars and leaders as our freshmen constituents learn from professors with great experience and wisdom. In addition, we hope to promote a safe space among freshmen students of color to freely discuss their experience in the Westmont community and in Santa Barbara as Asians.
